# In celebrity news, Lily James and her married colleague Dominic West are sparking romance rumors. What do you do if you think your partner is cheating on you?

## Cupid's Advice:

Thinking that your partner is cheating can be a tough situation. If you suspect your partner is cheating you, and you're not sure what to do, Cupid has some advice for you:

**1. Make sure you have valid reason:** The first thing you want to do, especially before you confront your partner, is to make sure you have valid reason to think they might be cheating. If you bring up cheating without any real reason to believe it, then you may risk showing distrust in your partner for no reason, which could lead to a fight.

**3. Talk to them:** If you are worried and believe you have real reason to believe your partner is cheating, you're going to have to talk to them and confront them eventually. Be honest about what your concerns are, but don't accuse in an aggressive way. You want them to be honest with you so you can

feel confident in the truth. Even if they aren't cheating, something else may be wrong that is causing you to suspect it, so communication is key.
