What are ways to show PDA without making other people uncomfortable?

Cupid's Advice:

Sometimes couples engaging in PDA can make the general public uncomfortable. Here are some guidelines:

1. Be subtle: When in a public place, you never know who may be watching. Your safest bet is to be subtle by not having an all out "romp" in the middle of a restaurant. A little "footsy" under the table will do.

2. Draw the line: When it comes to PDA, you and your significant other should discuss what you feel is appropriate and what's not. Some couples don't mind kissing in public (like Kristen Stewart and Robert Pattinson), while other may be totally fine with it.

3. Hold it in: If you and your partner have the urge for some serious affection while in public, your best wait until you're somewhere a little more private. This way, no one will stare at you like you're an exhibit at a museum or zoo.
