How can you tell if your partner is keeping secrets from you?

Cupid's Advice:

Paranoia is not the most welcome approach to uncovering your partner's secrets. Here are a few more rational ways to find the truth:

- 1. Notice his behavior:** Pay attention to your partner's behavior. If he ever appears uncharacteristically jumpy, anxious or nervous, it may be because he's keeping something from you.
- 2. Observe his friends:** If your partner has shared his secrets with his friends, you will most likely be able to learn something from them. No matter the strength of the friendship, your partner's friends will not keep his secrets as closely guarded as he will.
- 3. Ask him:** If you've tried to covertly uncover secrets and

nothing has come of it, then he's probably not keeping anything from you. However, if you still feel worried, politely ask your partner. He will not be expecting such a calm approach, and will most likely give you the truth.
