Cupid's Advice:

Starting a family is one of the biggest changes your life will ever face. Here are a few ways to determine if you're ready:

1. Your marriage is in a good place: Make sure that you and your husband are absolutely comfortable together and that your marriage is happy and stable before bringing a baby into the world.

2. Financial stability: Children are expensive. Before having a child, make sure your bank accounts are able to handle the burden. Being financially stable will save you from much frustration down the line.

3. Your feelings: Analyze your own feelings on the subject. If you don't feel 100 percent ready to start a family, then don't. You need to be completely sure of your decision before you commit to such a life-changing experience.
