What are some ways to tell it's time to move in together?

Cupid's Advice:

It was easy for *Bachelor Pad* stars Vienna Girardi and Kasey Kahl to figure out it was time to move in together because they knew they were ready to take their relationship to the next level. Cupid has some advice on how to know when the time is right to make the big move:

1. You love each other: As if this point wasn't obvious enough, if the two of you truly love each other, the next step is to make sure you're really compatible as a couple. Living together is the ultimate test because it allows you to fully know your partner and his or her everyday quirks.

2. You're practically always together: If you and your beau are always together, the most rational thing to do would be to make the big move and see how things pan out. This can help bring the two of you closer together or show you that that two of you maybe aren't ready for such a serious commitment. Plus, you'll also save money on rent and/or household expenses.

3. You want to take it to the next level: A good way to know you're ready to move in together is to realize that you and your mate want to take your relationship to the next level. Take some advice from Vienna and Kasey: you know it's time when the two of you know you want things to go further.
