**Is age a factor when it comes to marriage?**

## **Cupid's Advice:**

Though the age-old mantra "age is just a number" often holds merit, it's important to take age into consideration when committing to marriage. Here are a few things to consider before making a decision:

**1. Future experiences:** When you truly love someone, you shouldn't feel like you're giving anything up. When you marry, you potentially forever rule out any future relationships. At a young age, you are giving up a lot of future relationships. Be sure that you don't feel as though you're missing out.

**2. Your goals:** When you're young, you don't always have your priorities set in stone. You may mature and decide to take your life in a different direction. Be confident with your place in life before marrying.

**3. The age of your partner:** Though you may be the rare young person who is mentally prepared for a marriage, your partner may not be. Make sure that your partner is as ready as you

are for this commitment.
