What are the advantages of a short engagement?

Cupid’s Advice:

Some women plan for their wedding from the time they’re children to the time they’re ready to get married. When the time comes, they typically indulge in at least another year to plan. Here are three reasons why to cut the planning process short:

- 1. Less stressful:** Having less time to focus on minor details, such as favors, the planning process won’t be too hectic.
- 2. Less procrastinating:** The more time you have, the more you’ll procrastinate. Less time means you’ll work harder and faster on making your big day magical.
- 3. Smaller weddings:** Weddings are often small with only close friends and family when you rush to pull your wedding day together, which creates a more intimate affair.
