Is it ever OK to date a friend's ex?

Cupid's Advice:

The jury is still out on etiquette for dating a friend's ex. If you find yourself in this type of situation (on either end), follow Cupid's advice to help keep the peace:

1. Sparks may fly: If you're introduced to a friend's ex and you find an immediate connection with him or her, discuss your feelings with your friend before thinking of taking your attraction to the next level.

2. Be honest: Unfortunately, if an ex is attracted to a current friend of yours, you may feel compelled to accept the situation, instead of speaking up if it bothers you. Hurt

feelings will likely result from your lack of honesty, so be truthful with yourself, your friend, and your ex.

3. Learn the difference: Determine whether or not your friend's initial intrigue is simply physical attraction, as opposed to a strong emotional connection that can't be fought. Understanding the difference may prevent confusion between the three of you later.
