

Khloe Kardashian Gives Tips for a Happy Marriage

Unlike the rocky and ultimately doomed relationship of sister Kim and her ex, Khloe Kardashian and Lamar Odom are going strong. Kardashian always supports her guy, and that was especially seen when Odom was traded to a basketball team in Texas, so they had to move together. According to [People](#), Kardashian says that it's important to have "a give-and-take (relationship), keeping one another a priority and having genuine respect for each other is crucial." She also mentions the importance of "compatibility, honesty, communication and dedication" as well as keeping the relationship "a priority" to make a "happy marriage." "When you're married to the right person, it just works," she said. "It feels so good, having the support emotionally and physically from someone that you trust unconditionally is priceless."

Cupid's Advice:

Keeping a marriage happy is crucial. Cupid shares some tips to keeping your bond strong:

- 1. Prioritize:** Like Khloe and Lamar, you have to make sure that you put your partner and the relationship first. Make your love a priority. Where you live, and where you work are irrelevant if your partner is unhappy.
- 2. Communicate:** Always keep in touch with your partner about everything. Whether it's about how their day is going or where you want to live, you have to communicate.
- 3. Support:** Support your sweetheart in everything they do.

Just because you don't understand it or like it doesn't mean you can't show your support for your partner by giving advice or just being there for them.
