How do you know when it’s time to call it quits?

Cupid’s Advice:

Even though a relationship may seem perfect on the outside, it pays to know when to call it quits. Here are a few clues:

- 1. No spark:** After time, many couples just seem to fizzle out. If you and your partner have lost the spark in your relationship despite your tries to reconnect, consider ending the relationship.
- 2. Lack of progress:** If your relationship doesn’t seem to be going anywhere, you may want to reevaluate your goals. Your current relationship could only be holding you back, especially if you have hopes of starting a family in the future.
- 3. You have different goals:** There comes a time in a relationship when you have to sit down and discuss your plans for the future and how your relationship fits into those plans. If you and your partner want different things in life, it may be time to end the relationship.
