What are some ways to prepare your existing family for an infant addition?

Cupid's Advice:

When you're getting ready to welcome a new addition to your family, it's important to prepare certain things. Cupid has

some tips:

1. Prepare your other children: Keep your kids up to date about the pregnancy and what it will be like when you bring the baby home. Have them help get the nursery ready and offer baby names. The more involved the feel, the more accepting they'll be of the situation.

2. Get your finances in order: Another child means one more mouth to feed and one more body to clothe. Kids are by no means inexpensive, so it's important to make sure you're getting your finances in tip top shape before having a baby.

3. Prepare yourselves: If you already have kids, another child in the mix means you'll be all the more busy and worn out. Make sure you're staying in shape and taking care of yourself as you prepare to welcome another addition to your family.
