How do you make a divorce drama-less for your children?

Cupid's Advice:

Divorces can get nasty, but it's important to protect you and your ex's greatest asset—your children. Here are some ways to get through your breakup without your kids having to deal with the drama:

- 1. Keep it between grown-ups:** There is no need to let your children in on every little detail of the divorce. Keep kids out of grown-up business.
- 2. Don't ask them to take sides:** Pinning your children against your ex will only backfire. Keep them happy by respecting your ex around them.
- 3. Talk it out:** It's a good idea to ask your children about their feelings regarding the divorce. Divorce means change, and it's important to take the time to validate your kids' emotions.
