How do you keep your pregnancy under wraps?

Cupid's Advice:

There are three people that really matter during your pregnancy – you, your partner, and your baby. Cupid has some tips to help you keep things quiet:

1. Keep it personal: Only tell the people that are close to you like your parents and your best friends. If you start telling too many people, it will get around to everyone you're surrounded by very quickly.

2. Demand your privacy: Once people find out that you're going to have a baby, they're all going to want to put in their suggestions about how to go about everything. Make sure to demand your privacy so you can do things the way you want to do them.

3. Keep it a secret: Obviously you can't keep your pregnancy hidden forever, but it might be fun to keep it a secret until your baggy clothes or your anticipation can't hide it anymore!
