Cupid's Advice:

Many couples can get stuck in a rut together if they don't try a few new things every once and a while. The easiest way to keep this from happening is to spend some time together doing unique things. Cupid has some tips:

1. Music festival: Throughout the country, there are fun and affordable music festivals that you and your beau can indulge in any time of year. This allows you to take in some of your favorite bands together and maybe even discover some new tunes you both can enjoy.

2. Marathons: Sign up for a marathon together. This event is not only a one-day experience the two of you can share, but it also takes weeks of training. Who better to push and motivate you to do your best than the one you love?

3. Go fishing: With summer on its way, spend the day on a charter fishing boat. The two of you can enjoy some fun in the sun together and maybe even catch a delicious dinner for two to prepare when you get home.
