Kate Middleton has not only captured our hearts with her sweet disposition and charm, but also with her show stopping royal style. Prince William's wife is arguably one of the luckiest women in the world; she not only gets the everyday luxury of wearing amazing one of a kind designers, but she is also the future queen of England. For those reasons, we should take a few tips from her flawless look.

The first look (image above) has been on the cover of quite a few magazines in the last few days, but there is a way to take this royal red dress and make it a dazzling date dress. Her actual dress is a one of a kind Alexander McQueen, but I have found a great alternative for the neckline, and the price just for our readers.

The second look is ideal for the classic, easy style of The Dutchess, but can also make for a great going out outfit for any girl looking to up her status in the dating scene. Keep it clean and classic without adding too many bells and whistles with accessories. Kate is keeping with the spring and summer trends without over powering the pop of color in her jeans. *Fashion tip, always let your colored jeans be the main focus of the outfit, never try to pair color with the same, or a different color!
