What are some ways to support your partner's passion?

Cupid's Advice:

In a relationship support is a key factor to keeping each partner happy. If your partner doesn't support you in your solo endeavors and vice-versa, it can create tension. Here are some ways to support your mate's passions:

1. Show interest: You don't have to always take part in what your partner enjoys, but show interest every now and then. Try asking them about it at least once a day.

2. Show up: Actions speak louder than words. Be your partner's date at important events. Staying at home isn't a supportive decision.

3. Show equality: Just because you support your partner doesn't mean you need to forget about your own passions. Invite your partner to learn about your endeavors. Support goes two ways.
