fling can only mean one thing; a new song! But let's not get ahead of ourselves. Swift and her new beau Conor Kennedy have only been dating for a month. The couple has been none-too-shy to show the world how they feel about each other while vacationing in Hyannis Port, Mass. [UsMagazine.com](#) reports that on Monday, Kennedy was spotted with an arm around his famous girlfriend while kissing the side of her head. The couple has also been photographed out and about in their bathing suits enjoying their vacation time together. From her upscale outfits to family approval, it seems like Swift already fits in with the Kennedy's. When Kennedy's grandmother Ethel was asked if she could see Swift becoming a Kennedy one day she replied, "We should be so lucky!"

What are some ways to show your partner you care in public?

Cupid's Advice:

If you're only showing affection toward your partner in private, they may think you're purposely hiding them from the world. To avoid this, show how you care in public using these tips:

1. Harmless cuddling: If you are out in public with your partner and you stop and sit on a park bench, resting your heads on one another and comfortably sitting next to each other can be a respectable public display of affection. Do not go too over the top, and, well, get on top of each other. Find a balance that shows your partner you are thinking about them and long to be near them without overdoing it.

2. Stealing kisses: Note that I said stealing kisses, not making out. Making out in public is too much inappropriate PDA for anyone to handle, but stealing innocent kisses on the forehead, cheek and even a peck on the lips shows your partner you want them but will have to wait 'til your indoors for more action.

3. Holding hands: Holding hands in public is a classic symbol of love and care. Holding hands lets the world know you are taken, and lets your partner know you want to be close to them at all times.
