What are some ways to involve your kids in your birthday celebration?

Cupid's Advice:

It's your birthday, so happy birthday! Now what? Here are some ways on how to get your kids involved on your birthday:

1. Blow out the candles together: The best part about a birthday, for a kid at least, is blowing out the candles on the cake. Let your kids help you blow out all your candles this year so that they will feel included.

2. Invite a play date: If you're having a birthday party, let your kids invite a friend over so that they will have someone to play with. It's not going to be any fun for your kids if there are all adults there.

3. Help them decorate: Decorate the house with your kids or have your partner decorate it with them. They will be more than happy to decorate the house to surprise mom or dad.
