How do you celebrate an achievement with your partner?

Cupid's Advice:

Your admiration means everything to your partner. Even if it doesn't seem that way, remember that we all want to impress our significant other. It's why boys get into so many fights. Do these things to show how your romance's achievements impress you:

1. Make it a special event: Your partner won't always think to celebrate their own successes with you. By suggesting a special meal, a vacation, or just getting drinks and talking about their achievement, it shows that it matters to you.

2. Build their confidence: Compliment their talents and skills. Find specific details to admire in their success. Ask them about their future plans and goals. Encourage them to speak with ambition and determination about their next step.

3. Admire their effort: Don't focus your flattery solely on their accomplishment. Make sure most of your admiration is on the effort or process that led up to it. By complimenting their labour, you encourage them to keep trying. And maybe next time if they don't meet success, you can still compliment their hard work.
