Kristen Bell Gets Advice From Betty White

Kristen Bell

recently got some age-old relationship advice from fellow actress Betty White, according to <u>RadarOnline</u>. Bell, whose new movie You Again hits theaters September 24, said that although White is "not super maternal," she heard the Golden Girls actress offer an important tip. "I did hear her say [something] at one point about keeping a relationship fresh: when she would hear her husband coming home she would go put on a clean blouse or a dab of perfume. I thought that was really sweet and a wonderful way to impress your husband."How can you keep your relationship fresh?

Cupid's Advice:

1. Be spontaneous: Surprise your partner with tickets to see his favorite band, or spend a day at the beach building sand castles instead of lying under beach umbrellas. Don't be too

predictable.

2. Put in the effort: When you've been with your guy for a long time, you feel comfortable around him. While your partner may think you're beautiful in sweats and a t-shirt, that shouldn't stop you from dressing up every now and then. Put some effort into your look. Wear a skirt and heels one night for a change.

3. Get some laughs: The best way to stop boredom in its tracks is with laughter. Crack a joke, or watch a funny movie. Laughing is scientifically proven to be healthy for the body, but it is also healthy for relationships. Keep some conversations light and playful. Laughter will follow.
