## **How do you surprise your partner on his/her birthday?**

### **Cupid's Advice:**

Remembering your partner's birthday is a must in life. After all, it is the day they were born! No matter what your partner says, celebrating their birthday shows that you value them and truly care. So write it in your calendar, tattoo it to your body or do whatever it is you need to do in order to remember the date. Most importantly, have fun planning the event with ideas such as these:

**1. A false birthday party:** When planning a surprise party, it's easy for someone to accidentally leak the surprise out. To prevent this, why not plan the birthday party a few days in advance. This way, people can feel comfortable speaking to your partner about the party, just not the exact day. Plus, your mate will definitely be surprised on the day of the event.

**2. Party-less surprises:** If your partner happens to not like surprise birthday parties, don't fret. There are many ways to surprise him/her; such as filling the bedroom, their car or office with balloons, making them breakfast in bed, planning a fun road trip for two or surprising them with tickets to their favorite concert or event. The ideas are endless. Remember, a party is not the only way to show your love.

**3. A party for one:** If your partner devotes more time everyone else but himself/herself, why not throw him/her a party for one. Set them up with a day at the spa, a golf lesson with a former pro, or a ride-a-long with a professional race car driver. The gift of time doing something they truly enjoy will leave him/her feeling loved and renewed.
