

Expert Relationship Advice: The Simplest Tip to Save Your Relationship

By Laurel House for Galttime.com

Sure, he says he loves you even without makeup on, and that's sweet, but that doesn't mean you have permission to now only wear makeup when you get gussied up to go out with the girls!

Remember at the beginning of your relationship as you were shaving your legs and perfectly coiffing your pubs thinking "I can't imagine ever not wanting to take the time to do this..." What happened?

...Because He Isn't Suddenly Blind

Like women, men want to feel wanted, needed and loved. They also want to feel like you are putting effort into the relationship. Just because you've moved in together, or you've been going out for a year, doesn't mean that suddenly he's blind. You can't just kill off the sexy girl that you once were- the one who seduced him, then wonder why the girl at the office wearing the short skirts and giving him attention is getting his attention back. It's time to put some effort into your relationship!

Make Up Your Mind and Your Attitude Will Follow

But you're just not as attracted to him as you once were? You prefer lounging in sweats at home, keeping your hair in an unkempt ponytail, and wearing your cozy mismatched bra and panties? Mindset is a big part of it. Feel sexy, you will act sexy. Dress up, shave your legs, and adjust your attitude! Flirt with him when you go out. YES, flirt! You may have already gotten him, but that doesn't mean that now you should just talk about that annoying chick at work, the frustrating thing your mom said, how stressed you are that you are gaining weight, and how you found yet another gray hair on your head! Come on now... do you think that's sexy? Do you think that's going to make him want you? Do you think that kind of conversation is going to make you want him? No. The answer is no, it's not.

Like Using Your Fancy Silverware

Similar to using your fancy silverware and china instead of keeping it stuffed in the back of the cabinet (really, what are you saving it for? USE your nice stuff, enjoy it! You only live once...). Wear your sexy lingerie- often! You might think that he doesn't notice it. You might feel like every time you put it on, he is too tired and passes out without getting an eye full of how hot (and uncomfortable) you have secretly been all night! And maybe you're right, maybe he doesn't notice, but he will notice if you're not wearing it...

Happened to Me...

I know because I did it. It happened to me. After one too many "rumors" and inappropriate glances to other chicks, I couldn't take it anymore. Why was my guy paying so much attention to every hot chick he saw?! After two years, we ended up ending it. A few months later, when we could both be honest without fear of repercussions, I asked him why the roving eye. He said that I stopped trying. I didn't make him feel sexy or wanted. I didn't flirt with him and give him naughty glances and say sexy things under my breath. He became... normal to me- like putting on socks with my running shoes. Just something you do. It wasn't exciting anymore. This is the same guy who I found breathtakingly sexy and couldn't keep my eyes, hands, skin, or mouth off of when we first met.

But remember the first time you put those brand new running shoes on and what a total thrill it was? Same thing... kind of. Like getting all of that coveted china for your wedding, then never using it. Like putting your treasured diamond necklace in a safety deposit box for safe keeping. Why have it if you don't use it. Any night, day, even breakfast can be a special occasion- if you make it one. I know... sexy lingerie isn't as comfortable as cotton panties. Well having a lackluster relationship is worse. Believe me. It's time to try...

AND, GUYS.... RECIPROCATE THE EFFORT, PLEASE.

xx
