Cupid's Advice:

Though there are no sure signs that an engagement is in your

future, there are a few things you can look for in anticipation:

1. Meet the parents: Few couples ever get past the basic dating phase without parental approval. To marry someone is to become a part of their family and being included in family activities can be a sure sign that he is going to take the next step.

2. “The look”: You may start noticing a longing or calculating look in his eye prior to a proposal. It may be because he knows he can’t live without you and is looking for the perfect moment to make it official!

3. Spontaneity: If your man does something out of character, like plan a fancy dinner or weekend getaway out of the blue, you may need to start *looking* for something blue. Though many proposals happen in an everyday setting, sometimes something a little out of the ordinary or special is in order – not that a proposal itself isn’t memorable enough!
