What are three unique ways to ask someone to be your date?

Cupid's Advice:

Asking someone out can be a stressful and worrisome experience. You want to be with the guy but don't want to embarrass yourself if he is not interested. Cupid's here to offer some advice:

1. Get creative: You have been crushing on one of your guy friends for the past few weeks and want to get the ball rolling already. Why not make it fun? Take the man you're interested in to a local park and ask him out while you both are on the swings. The guy will feel special while gliding through the air with you. Find a fun place you both enjoy going to and ask them out. Your crush will realize how much fun being around you is and will be sure to say yes.

2. Utilize their hobbies: The guy you are interested in teaches guitar lessons to young kids. Show him you're interested and ask him to teach you how to play. Once you get the hang of the strings, play him a silly song and ask him out after you are done. The guy will love watching you perform for him and will want to learn more about you.

3. Make a big gesture: Your crush is definitely the life of the party. He is always the one making jokes and is friends with everyone. He's the kind of guy that creates a scene, so of course he'll respond well to yours. Throw a party with all of your friends and invite him as well. Make a tray of his favorite appetizers and spell out the word 'date?' with it. Cover the surprise with aluminum foil and ask the guy you've been crushing on to get it from the kitchen. Once he reads the words, he is sure to have a good laugh and accept the invitation.
