Summer's here! It's time for some fun in the sun and sand with your friends, family and maybe that special someone. Your beach trip won't be perfect without the right swimsuit though. Take a cue from *Bachelorette* Desiree Hartsock and starlet AnnaLynne McCord: they're showing off their hot bikini bodies in Voda Swim. These bathing suits are sure to make you feel great and to catch your man's (or crush's) attention.

Voda Swim is a line created by designer and international print model Yulia Drummond. Her model body may have given her success, but she found herself self-conscious of her small bust when wearing a swimsuit. Yulia and her husband Dustin created Voda Swim for women like her who want to make the most of what they have. With a swimsuit from Voda, you can stop focusing on your insecurities and be a sexy, confident vixen at the beach, in the pool or even at that upcoming Fourth of July lake party.

Voda swimsuits like the Envy Push Up provide the perfect soft, flexible padding to enhance the breast and visually increase the bust by one to two cup sizes. It will give you maximum cleavage, lift and support while looking like a regular bikini.

Now, one lucky CupidsPulse.com reader will win one of these Voda Swim bathing suits as seen on Hartsock and McCord above!
