The way you smell can leave a lasting impression on a man. You want to make sure that your scent is attractive and can turn on a man the minute you get close to him. After all, you want to be the girl that he's remembering for the rest of the night. Lucky for you, we've taken the guesswork out of finding a new fragrance: Justin Bieber's *Someday* perfume is exactly what you need to leave an imprint on that special guy.

Someday's aroma is fruity and light yet smooth and enticing, which makes it perfect for both day and night. The notes of juicy pear and wild berries mix alongside the creamy florals and vanilla to create a sweet but deliciously velvet scent. The mandarin, jasmine and soft musks set a tone of flirtatiousness that will keep this fragrance anchored for hours to come. The pop star stated that *Someday* "explains a dream" and that it's all about what the woman wants. If you want to live your fantasy, *Someday* is perfect for you.

This fragrance is kept in an extraordinary lavender glass bottle that will immediately catch your eye. The head of the bottle holds a playful flow of a red and pink blossoming rose in the shape of a heart. There's even a detachable lock-and-key in the form of a silver crystalized heart, which can be used as a keychain if so desired.

CupidsPulse.com is giving away a bottle of *Someday* to one reader. Grab this opportunity to show your crush just how playful you can be!
