The wife to the *Married with Jonas* reality star Kevin Jonas debuted her mini baby bump at the Teen Choice Awards this past Sunday. Clad in a short yellow flowered frock, the 25-year-old mom to be was glowing. The couple announced the pregnancy in July when the excited future father tweeted, "It's true – Danielle is pregnant! Can't even imagine how excited we are. I can't wait to share this with my best friend. I love you baby," according to UsMagazine.com.

How do you show off a baby bump in a tasteful manner?

Cupid's Advice:

What better way to show you're going to be a proud mama than to tastefully dress your baby bump? Cupid has some advice about what to wear during those 9 months:

1. Cover up: It's important to remember not to show too much skin when you're with child. Super short shorts are a no-no as are deep v-necks. You're going to be a mom, so dress like it!

2. Dress the bump: If you're looking for examples of what not to do then you can look at how Kim Kardashian dressed during her pregnancy. She was often caught in too tight clothes that weren't maternity friendly, which ended up making her look uncomfortable and uptight. Stores have a maternity section for a reason, be sure to check them out.

3. Show it off: As soon as you try to hide the bump, that's when your clothing becomes a problem. You're carry a child in there so don't be afraid for others to see the bump and know that you're expecting.
