

CHRISTINA MILIAN: 'I LOVE BEING SINGLE'

Though Christina Milian will be appearing in the holiday movie *Christmas Cupid* December 12th on ABC Family, she does not plan on being struck by Cupid's arrow anytime soon. As the singer/actress told *People*, there is no man in her life now, and she loves being single.

Christina Milian recently split from rapper-producer The Dream. The two have an 8-month-old daughter together, and she is her mother's first priority. She says, "I'm learning about myself all over again.

And as far as my daughter, I will never bring anyone into her life that I don't have a real connection with. I'm going to protect her.

I don't just bring anyone into my life or her life."What are some of the perks of being single?

Cupid's Advice:

Being in a relationship is wonderful, but being single can be just as amazing. After all, you have to love yourself before you can begin to love someone else:

1. Embrace independence: Singles can breathe a sigh of relief because

the only person they have to worry about is themselves.

2. Self-reflect: Flying solo means you have time to find yourself and figure out what you want from a potential future relationship.

3. Enjoy being alone: You are always your best company. So if your last relationship didn't work out, remember it's far better to be alone than in bad company.
