

Celebrity Couple Predictions: Jessica Biel, Faith Hill and Kerry Washington

For today's column, I want to look at three celebrity couples that tend to keep their relationship out of the spotlight but are faced with tabloid rumors nonetheless:

Jessica Biel and Justin Timberlake: This A-list pair recently celebrated a year of marriage – which means that this union has already lasted longer than many predicted. Every few months, there's a story about Timberlake cheating with a hot blonde or mystery brunette; it's a shame, but there may be something to it. When I look at their energy, the actress seems to be 100 percent into the marriage, while her husband isn't as present. That's not to say he doesn't love his wife; it's just to note that there is a piece of himself that isn't

completely committed to their relationship. His energy appears to be up and down, which could be trouble in the long run.

Biel is a beautiful woman who seems quite lovely as a person, but she's rather boring. It can be argued that maybe that is why the marriage works. A part of the sexy singer wants stability, which his wife gives him, but there's also a side of him that craves something else.

I do see baby energy circling the couple, so expect a pregnancy announcement really soon. Wishing them the best on the pitter-patter of little feet!

Faith Hill and Tim McGraw: Country music's most beautiful couple is rumored to be getting a divorce (yet again). Don't hold your breath on this one, ladies. Hill isn't going anywhere, and there won't be a breakup (at least for now). Rumors are swirling about McGraw having an affair with Taylor Swift and having bisexual relations with men. Normally, within any set of rumors, there are some truths. Even so, Hill knows who her man is, which is the only important thing.

The rumors are, however, taking a toll on their relationship. My spiritual sources tell me that these two have an understanding: What happens on the road, stays on the road. Still, it's hard to not bring some of it home. They are working through all of it as they have worked out other issues in the past. Sometimes, McGraw may sleep on the couch, but if you're waiting for divorce papers between these two, you'll be waiting a long time. It's not even a consideration for this power duo.

Kerry Washington and Nnamdi Asomugha: There are plenty of Hollywood couples that have drama around them, so I decided to

take a look at a very happy pair: Kerry Washington and her new hubby Nnamdi Asomugha. Their wedding came as quite a surprise to most people because the actress doesn't like to talk about her personal life in interviews. There is even a rumor circulating that this private pair are *not* married – which is a prime example of why she kept her relationship a secret, even from her friends. Let's keep it real: Some friends cannot keep their mouths shut.

Not long ago, Washington announced that a baby was on board, and two weeks before she confirmed her pregnancy, I saw baby energy circling her when she was on a talk show. She is quite literally glowing. What could be better than a hit show, handsome husband, and baby on the way?

The only issue this couple has right now is that Asomugha, a football player, recently got cut from the San Francisco 49ers. The good news is he made some decent money from his contract, so even though he's unemployed, there's no need to worry about them being broke when the baby arrives. Other than that, these two are doing great; they are well matched and support one another.
