1. Behind the scenes: Just because Biel wasn't up on stage with Timberlake doesn't mean that she's not super proud of her hubby! The support that your partner gets on the home front is just as important as the support they get from everywhere else.

2. Be there for them: With great success can also come great failure. Be sure that you're there for your partner whether they're getting a promotion or being replaced by their younger, more energetic counterpart.
