What are some ways to publicly announce your affection for your partner?

Cupid's Advice:

We don't all have the ability to rant about our love for someone on a radio show like celebrities do, but there are other ways to share how you're feeling:

1. Utilize social media: It sounds silly, but this is the way our generation operates. Taking advantage of the ability to upload a picture of your significant other or put yourself "in a relationship" on Facebook is today's version of "going steady." Want to make it really special? Make a YouTube video for your other half.

2. Give a toast: People underestimate the power of words, but just taking a moment to announce how much you appreciate and love your partner in front of friends and family can have a huge influence on both your relationship, and how people view your relationship.

3. Send out a holiday card: It's getting to be that time of year where distant family members and acquaintances feel the need to send you cards with pictures of their children or the big trip they took this year. Why not send a 'Seasons Greeting' with your partner? It shows how committed yo are by wanting to share your affection with everyone on your mailing list.
