

Dean McDermott is Accused of Cheating on Wife Tori Spelling

By Brittany Stubbs

After seven years of marriage, it doesn't look like Dean McDermott and Tori Spelling are living their happy ending. UsMagazine.com reports that McDermott cheated on Spelling with 28-year-old Emily Goodhand while promoting his gig as host of *Chopped Canada* in Toronto on Dec. 6th. After meeting Goodhand through friends that day, McDermott invited her up to his room at the Fairmont Royal York Hotel where she claims they had sex. "He told me he and Tori had a sexless marriage," says Goodhand, who stayed the night with him the following night as well. "I believed him."

What are some signs that your partner is cheating?

Cupid's Advice:

Being cheated on by someone you love is extremely hurtful. While you want to trust your spouse, if you're wondering if they might be cheating, look out for these signs:

1. Credit card activity: If you have access to your partner's bank account and notice there's a number of charges that don't make sense, this might be a red light. For example, dinners at nice restaurants, hotel reservations, etc. Are your partner's credit card bills no longer sent to your house or visible to you? This might be another sign to question.

2. Sketchy phone behavior: Do they have a passcode you don't know? Do they step out to take calls, text under the table, or take their phone with them to the bathroom? These might be signs that they're hiding something.

3. Their appearance has changed: According to the *Huffington Post* article "Cheating Signs: 10 Classic Signs Your Spouse May Be Cheating," one of the first signs that should make you suspicious your partner might be cheating is if he or she is suddenly dressing much better out of the blue. If your partner is notorious for running around town in sweats and is all of a sudden putting more effort into dressing up and getting ready, it could be a sign there might be someone new they're trying to impress.
