

Celebrities Who Lose Baby Weight Fast

By April Littleton

We're all envious of the women we see on the front cover of magazines who seem to lose all of their baby weight as soon as they deliver their child. Some of us blame Photoshop because there's no way these celebrities can drop those pounds so quickly. While other readers credit the rapid weight loss to plastic surgery. This method might be used among some of the famous stars we know, but some of them still enjoy getting their bodies back in the right way:

1. Jenna Dewan-Tatum: Just six weeks after giving birth to her first daughter Everly last May, the *Witches of East End* star

was back to work – in a size zero. “I wasn’t one of those girls who’s obsessed with losing weight, but that was a pretty good motivator. I thought, I’ve got to fit in the clothes I wore before!” she said in an interview. Dewan-Tatum managed to lose her baby weight so quickly due to the strict diet and regiment she stuck to while pregnant. “I think a lot of women find out they’re pregnant and are like, ‘Let’s go crazy and eat ice cream every day!’ To me, it was, ‘I’m growing a human being, and I want to give this little soul the best nutrition I can,” she said.

3. Gwyneth Paltrow: The *Iron Man 2* actress is also known for her commitment to physical fitness. After giving birth to daughter Apple (born 2004) and son Moses (born 2006), Paltrow worked out for two hours a day with celebrity trainer, Tracy Anderson. “It was not easy and, when I started it, it was by far the hardest thing I have ever done – but I really was seeing results so it motivated me to just work through it,” she said, according to the Press Association.
