Cupid's Advice:

Honeymoons are a great way to spend the first moments of your new marriage with your honey. What type of honeymoon you decide to go on depends on your personality, what your partner enjoys doing and what the two of you agree on as a couple. Cupid has some tips:

1.The islands: Most couples love the idea of going on a romantic, island honeymoon getaway. You and your honey can rush off to Hawaii or another island of your choice. You can soak up some sun, learn how to surf or go shark diving. The memories you create with your partner during a honeymoon like this will be unforgettable.

2. Bed and breakfast: Nothing will get as intimate as having your honeymoon at a bed and breakfast. Think about the tranquility of the environment and the complete isolation from the city. You and your significant other can enjoy some much-needed time alone.

3. For the adrenaline junkie: If you or your companion prefer a bit more of an exciting vacation together, think about spending a week or so out camping or in the mountains. You can catch fish, go skiing, sledding, etc. You'll probably be on the go at all times and you might be able to experience a new activity or skill.
