How do you join the dating world after splitting from you own

long-term relationship?

Cupid's Advice:

Once you split with the person you've been with for a long time, it can be hard to even think of putting yourself back out there and be **open to explore**. Getting back into the dating game after being in a long committed relationship can be fun and exciting if you let yourself go there. Cupid has some advice on how to join the dating world after a long-term relationship:

1.Reinvent yourself: Nothing says starting fresh, than reinventing or re-evaluating your life and it's priorities. You don't have to drastically alter yourself or your looks, but this can be a good time to maybe try something different with yourself or consider trying new things. It can be anything whether it's you buying a new outfit or wardrobe, changing your hairstyle, or experimenting with new things.

The truth is online dating is not the taboo it used to be, many people do it these days and many people who have joined them have found love.
