

Kim Kardashian Hopes the Rain Doesn't Ruin Her Wedding

By Sanetra Richards

It never rains in Southern California, but it has been raining cats and dogs in Paris. According to UsMagazine.com, showers were definitely in the forecast during Kim Kardashian's costly European wedding weekend, which started on Friday, May 23rd at the Versailles Palace in Paris, France. The festivities began with the rehearsal dinner at Versailles. Guests were asked to dress in vintage French royalty-themed garb. However, the reality star bride appeared to be a bit down during the celebration activities and made it known the weather was to blame: "I hope the rain doesn't ruin my wedding," Kim stated as the Kardashian-Jenner family dined at the Hotel Costes on Wednesday, March 21st. "She made it clear that this bad weather is really getting to her. She's clearly spending millions

getting married in Europe, and if it all turns into a wash-out she will be really unhappy,” an onlooker tells *Us*. Although her family and friends remained positive through the circumstances, the 33-year-old bride was still not pleased with the City of Love’s lack of sun. “This weather has to get better,” other restaurant guests heard Kanye West’s fiancée say after dinner. “Spring in Paris is meant to be about sunshine, but all we’re getting is rain.”

What are some ways to plan a wedding around rain?

Cupid’s Advice:

Every bride seems to have at least one fear in common on their special day, and that is rain. Although it can certainly be a sign of good luck for the marriage, it is still unwanted. You plan for the date months in advance and can never be too sure of what to expect when it actually comes. Cupid has a few pointers to help you plan the big day around rain:

1. Proper shelter: Outdoor weddings can always be a bit tricky because of the unpredictable weather. What better way to take cover than to have a tent covering you, your honey, and the guests? When Mother Nature decides to make your day a little bit more stressful, do not fret. You will be prepared for the worst, somewhat.

2. Backup plan instructions: Inform everyone in attendance of what to do just in case the weather goes wrong. You may want to do this in advance before the big day – this will help ease your worries as the wedding approaches.

3. Remain pretty & polished: Don’t let the rain put a damper on your mood, or ruin your perfected hairstyle, chic heels,

and beloved gown. Purchase a few cute umbrellas to protect you and your wedding party from the downpour as the day continues. Who wants a muddy mess in their photographs, anyway?
