

Single in Stilettos Show: How to Be Successful with Online Dating

On this week's [Single in Stilettos](#) show, founder Suzanne Oshima talks to dating coach and author Robert Manni about how to be successful with online dating. He answers the following questions: What are the three main things men look for in an online dating profile? What should you do if you're not getting a response? How can a woman contact a man without seeming desperate?
