**What are some ways vacation can bring you closer together as a couple?**

**Cupid's Advice:**

The perfect getaway can spice up your love life. A tropical

paradise, a cozy cabin in the woods, or even the right mountain can spark a flame that you cannot at home. Vacations are an easy way to break free of the everyday work routine. You have no other choice but to focus on the person your with, which is why these three elements of a vacation are so crucial:

**1. It creates a feeling of seclusion and intimacy:** Vacations are perfect because they're all about escaping reality for a short while. When you and your honey travel together, there is an aura of seclusion that engulfs you. It's exciting to think that for miles the both of you only know each other. Nothing is familiar, so you make this place your own.

It allows you to have deeper conversations:** When you're away from the hustle and bustle of your home life, you're able to find yourself focusing on topics of conversation that you may not have been able otherwise. The beach breeze coaxes deeper thoughts out of your mind that will flow freely like the waves of the sea. Relax and enjoy exploring the mind of your significant other.

**3. Time isn't an issue:** Vacations don't typically have set schedules, therefore you and your partner are able to move through activities at your own leisure. This way you and your man can discover fun activities that you both agree on, which can give you new experiences to build on. You may not be able to climb a mountain at home but here you can build some muscle, as well as solidarity within your relationship.
