What are some out-of-the-box ideas to celebrate your wedding anniversary?

Cupid's Advice:

Your wedding anniversary is monumental, so why not make the occasion a unique one to remember? Your spouse is so special to you that you should do something equally as special to celebrate the fact that your love and hard work have groomed an unbreakable marriage. Here are Cupid's out-of-the-box wedding anniversary ideas:

1. Go sailing: The horizon is limitless, you're withstanding rough water, you're together without anyone else in sight, it's all pretty metaphorical! Sailing is a great getaway because you're leaving your natural element to explore something mystifying and a little dangerous. Who better to undergo such an adventure with than your one-and-only? And what better occasion than the celebration of the day you were joined in holy matrimony?

2. Write letters a year in advance, every year: On each anniversary, write letters to each other to be exchanged at the next anniversary. Reflecting on the past is just as important as planning for the future, and there's no better way to do this than to remind each other of how everlasting your love is. Every year you'll be reminded of the time that has just passed, and what started it all- your wedding!

3. Travel: Each year, choose a new place, either abroad or within the country, to visit for the first time. Every new destination represents the milestone in your marriage. Because marriage itself is a journey, choose to go on actual journeys each year. A road trip or plane ride also provides a good amount of quality time to be spent together with nothing to do but talk, laugh, and enjoy each other's company.
