Cupid's Advice:

Dating can be difficult enough even when you don't have the responsibility of children. But if you have kids and you're ready to start dating, it is possible to handle both:

- 1. Get the kids involved:** Though you will want to have alone time with the person you're dating, having game night with the kids or going to an amusement park can be an excellent way to entertain the kids and get to know someone romantically. It also eases your children into the idea of their parent dating around.
- 2. Find a reliable babysitter:** Having a babysitter that you trust and that your children enjoy spending time with can make being a parent on the dating scene a lot easier.
- 3. Give yourself some alone time:** It can be overwhelming to have to deal with the needs of children along with those of a potential new boyfriend or girlfriend. It's important to make time for yourself a priority.
