How can you best take care of an ill significant other?

Cupid's Advice:

Unfortunately, cancer and other terrible illnesses are all too common. And, if it happens to your significant other, you may be left with more questions than answers. Fortunately, there are many professional books and other resources that can give you advice on how to be a member of their best support system. Cupid has also listed a few tips below:

1. Enlist the help of family and friends: Always remember that you don't have to go through this alone. Reach out to family members and friends and let them know your situation. Once you communicate what's going on, people will be ready to provide emotional support and lend an extra hand.
