Cupid’s Advice:

There’s no doubt about it: divorce is devastating. Here are some tips on how to transition from living with your partner to living alone:

- 1. Get some “me” time:** First and foremost, take some time out for yourself before dealing with the “media” of your family and friends. Grab a close friend and head south a la ScarJo-style for some down time.
- 2. Indulge in a hobby:** Spend some time doing things that make you happy before your divorce. The familiar routine will keep you sane for a little bit longer.
- 3. Work it out:** Try exercise as a form of stress release. Endorphins will make you feel better, as they are natural pain and stress fighters.
