This celebrity mom has to be creative with her baby to prepare for the day. What are some ways to entertain your child while you get ready?

Cupid’s Advice:

A child changes your daily routine in more ways than you could ever imagine. Something as simple as taking a shower or fixing your hair must be carefully planned according to your baby’s schedule. Here, Cupid reveals three ways to entertain your kid while you get ready for the day:

1. Keep them busy: It’s easy enough to move your baby’s toys from the playroom to the kitchen...to the bathroom. Spread out a blanket and grab their favorites books and blocks. As long as they’re having fun, they won’t care that you’re curling your hair or carefully applying your lipstick.

2. Ask for help: If your partner has a flexible work schedule, don’t be afraid to ask him to stick around for a few extra minutes in the morning. A healthy habit in love and relationships is to partner on certain tasks, such as parenting. It’ll be a good opportunity for him to bond with his child, and it’ll let you have a moment to yourself before your busy day of parenting begins.

3. Turn to technology: While not all parents allow their children to watch television or play on an iPad, if you're okay with your kids becoming familiar with technology, go ahead! A 20-minute *Dora the Explorer* could give you the time you need to put on that fresh face of makeup.
