Go green and gold! Green Bay Packers quarterback Aaron Rodgers has the support of girlfriend Olivia Munn at every home game. Relationships and love go hand in hand...or in the football stand, in this case. According to [UsMagazine.com](https://www.usmagazine.com), the actress explained, "Every home game, I am there. When there's an away game, that's when I leave to do my work." She went on to say, "I think I'm a good fan. I'm there, and I'm screaming

a lot. I think it's really important to scream, and my acupuncturist told me energy follows thought. That was a very Hollywood sentence for you guys." The Packers played a great season and were the division champs. On Sunday, Jan. 18, they sadly lost 22 to 28 against the Seattle Seahawks. We hope this celebrity couple makes it to next season!

Relationships and love require a solid foundation, which includes supporting each others' interests. What are some ways to support your partner's hobbies?

Cupid's Advice:

Supporting the things your partner loves is important when it comes to solidifying your relationship. Check out Cupid's love advice below:

1. Show interest: When you're dealing with relationships and love, it's really important to show interest in whatever they like to do. If they're into sports, pay attention to the games and scores. It can be as easy as setting up ESPN alerts on your phone. You don't have to be obsessed with their favorite team, but keeping updated on them will make your significant other happy.

2. Take initiative: This piece of love advice isn't just for celebrity couples like Munn and Rodgers. To show your partner that you truly care, it really is all about the little things. If they are into Mexican food, make them homemade chicken enchiladas as a surprise. If they are wine connoisseurs or beer lovers, take them to a wine tasting or on a brewery

tour. If they are into horror movies, suggest going to see one when it comes to theaters. Grab the bull by the horns and let them know that you pay attention to their likes and dislikes.

3. New experiences: Life is all about adventures. If your partner has a hobby or activity that they enjoy, try it out yourself! Whether that means playing tennis or going fishing, give it a shot. You don't have to be super into these activities, but actually doing them together will bring you closer. Plus, you will most likely really enjoy yourself. Feel free to invite them along with you to your hobbies too!
