Cupid's Advice:

When it comes to relationships and love, it's important to broaden your horizons. Get out there and meet new people. Try new things, eat new food and do a bit of traveling. Take a class on a topic that interests you, hit the gym or do yoga, study or do work in a coffee shop, join a book club, participate in charity organizations and volunteer. Cupid has some tips:

1. Visit new places: It's really important to expose yourself to new surroundings. Get yourself outside of your habitual places and try new locations to eat, shop, dance and frequent. Not only is this a good way to meet a potential partner, it's good for yourself too. Most likely you will find that you enjoy yourself and the new spots.

2. Indulge in new experiences: Part of the process of finding your soulmate deals with trying new experiences and activities. Picking up a hobby that you discover brings you a lot of enjoyment, going to a wine tasting and taking a cooking class, or playing sports and working out are just examples of what you might do. During this time, you are finding yourself, not only searching for the love of your life. Enjoy every step along the way and you will feel extremely fulfilled.

3. New people: Meeting new people introduces you to new things, and brings you one step closer to finding your match.

It's also a way to make more genuine friends to enjoy your life with. The comfort we feel when we're with our friends and family is what matters the most in life. Sometimes you need to step outside of the circle of people you know at work and school. When the range of people you know widens, so does potential partners. Surround yourself with supportive and loving people.
