1. Put the gadgets away: Your cell phone, computer, or tablet is creating a barrier between you and any man that wants to meet you. By holding your phone or looking at your laptop in a coffee shop, it seems like you're busy and don't want to be bothered.

2. Pay attention: It's important to pay attention and be fully present. Notice the men around you and be open to meeting them organically.

3. Get real: Be realistic and clear about who you are and what you're looking for. Once you know what you want, don't focus on a long list of "must haves." If you do, you'll be single for a long time!

4. Reach out: If you had a great time, it's important to acknowledge and follow-up after the first date. Be available and don't wait too long to schedule the second date. You don't want him to lose interest.
