This celebrity pregnancy will no

doubt be highly documented! What are some ways to document your pre-parenthood experience?

Cupid's Advice:

While this celebrity baby will have a very high profile life, others are not as fortunate to be able to look online and see baby photos of themselves everywhere, or even pre-baby photos of their parents. Below are a few ways that you can document your pre-parenthood experience, even if you and your significant other aren't a celebrity couple:

1. Scrapbook: It may be "old fashioned," but having something tangible for your child to look at as they grow up can be very special. Document your time with your significant other through photos to put in a scrapbook. Take pictures of trips that you took together while pregnant, take photos of the first crib, etc.

2. Collectibles: You don't have to make a scrapbook of pictures before the baby comes. Why not create a box full of tangible memories? Maybe your mom found out that you were pregnant and gave you a teddy bear from your youth that you didn't know she kept. Create a box full of memories, or even ideas of memories you would like to create in the future.

3. Social media: We obviously can't leave out social media. Create a Facebook photo album, pinterest board, post pictures to instagram, create a vine every day, you name it, you can do it on the Internet.
