1. He finds every excuse to see you:

Sure, good friends want to spend a lot of time together. But in the area of relationships and love, a guy who is interested in a girl will find a reason, no matter how far-fetched, to see you. He's going to the grocery store and wants you to come help him get ingredients for dinner. He's shopping for a new pair of shoes and wants your advice. Dating advice: if it just seems like he can't get enough of your presence, he probably has a major crush on you!

2. He approaches you:

This one is pretty self-explanatory: a guy who strikes up a conversation with a girl at a bar, bookstore, or the gym is obviously interested in her. But look at how your crush or guy friend communicates with you. Is he always the first person to text you? Does he always seek you out at parties? If so, take our love advice he may have a crush on you, too!

3. He has positive body language:

With relationships and love, body language is everything. Things we might be too afraid to say can subconsciously appear in our physical gestures. Here are a couple signs he's into you: his pupils are dilated when he's looking at you, he leans close into you when you talk, he subtly licks his lips when speaking to you or looks at your lips, and he points his feet towards you when you're both sitting down. All of these are indicators that his body is using to communicate his interest in you.

4. He's different around you:

Maybe you notice that he makes cruder jokes around his other friends, but says nicer things when he's alone with you. If he likes you, he could act nervous around you or appear to be trying to impress you. This may be a relationships and love sign that he's interested being more than just a friend with you. It's great love advice to see how he treats other women and reflect on how he treats you. This could give you a few clues about his true feelings for you!

5. He gets jealous:

Next time you talk about a date you went on last week or your newest celeb crush, check out your real life crush. Does he seem to get upset when he hears you talking about other guys? Does he seem to be jealous or protective when other guys check you out? If so, he could be jealous because he likes you!

6. He teases you:

Most of us can remember a time where we were made fun in elementary school by a boy who thought it was so hilarious to

sprinkle grass in our hair at recess. It wasn't until our parents gave us the early dating advice that those boys on the playground actually liked us and weren't just bullies. Although we think men have grown up since then, they really haven't changed all that much! A guy who teases you for silly things and is physical with you (touching your hair, playfully touching your shoulder) definitely likes you. Also, if he smiles and laughs a lot around you, that's a great sign that he might be into you!
