Celebrity love life rumors are nothing new! What are some ways to keep gossip from affecting your relationship?

Cupid's Advice:

Gossip can do serious harm to relationships, and can sometimes even be embarrassing. It can also ruin reputations even if it isn't true, and finding a solution can be difficult. Cupid has a few solutions to getting rid of gossip for good:

1. No confirmation: Just like Kristen's mom, do not give people any information on anything that involves you, as that just gives them more reason to talk. Instead, keep quiet and never confirm any information, so your relationship always stays a mystery.

2. Release it all: In some cases, you can do just the opposite. By releasing all your personal information, you have nothing to hide or nothing for people to assume. Everything people want to know is told, so there's no room for gossip to intrude in your relationship!

3. Avoid it: If you know there are certain people that cannot keep their mouths shut about your life, block them and make sure they see nothing of it! Delete them on social networks,

and stay away from commenting about your personal life to them. If they are not contributing anything positive to your relationship, avoid them.
