These celebrity exes are stirring up drama! What do you do if your ex starts drama about your prior relationship?

Cupid's Advice:

Exes are in the past for a reason. When they don't stay there and start causing drama surrounding your prior relationship, it can be tough to deal with. Cupid has some relationship advice:

1. Ignore them: Sometimes the best response is nothing at all. Let your ex make a fool out of him or herself, while you sit back and enjoy the act! No one wants to be with someone who starts drama anyway.

2. Confront them: Admit any mistakes you made, and try to work out a solution. If they are not willing to do so, at least you know you tried to settle things in an adult-like manner. Closure can be a good thing.

3. Stay mature: If your ex is bashing you about something specific, accept your faults and move on. Do not stoop down to their level or take to social media with your spiteful feelings. Keep things civil on your end, and remain mature.
